

JULIETTE LOW NECKLACE

Make a Juliette Low Necklace. Cut out different colored circles from fun foam, add the decoration listed below, punch a hole in the top of each circle, thread on a piece of yarn or ribbon. You might want to add beads in between the foam circles.

1. Juliette Low's nickname was Daisy. Glue on a daisy.
2. Juliette Low love animals and had a horse name fire. Glue on a horseshoe.
3. Juliette Low's Girl Scouts did non-traditional activities like camping. Glue on a tent.
4. Juliette sold her pearls to fund the Girl Scout movement. Cut a piece of molded pearls and glue it into a necklace shape.
5. Juliette Low was born on Halloween October 31, 1860. Glue on a Halloween shape.
6. Juliette Low died of breast cancer in 1927. Cut off a piece of pink ribbon representing the breast cancer hope symbol and glue to card.
7. Juliette Low taught her Girl Scouts how to cook over a campfire. Glue on a campfire.
8. Juliette Low played Basketball with her troop. Glue on a basketball.
9. Juliette Low taught her troop basic first aid. Peel backing off a band aid and stick on card.
10. Juliette Low was deaf and did not exclude disabled girls from Girl Scouting. Glue the middle and ring fingers down to the palm of a hand. This means "I love you" in sign language. Glue the hand to the card.
