

AT HOME ACTIVITIES – DAISY CENTER

Dear Parents: Your daughter _____ was given this sheet because she missed the activities to earn the Daisy Promise Center.

In order to keep her current with the rest of the Troop she can complete this activity at home with you. Practice the Girl Scout Promise (below) until she is able to recite it with few prompts.

When you practice, be sure she is using the Girl Scout Sign (thumb and pinky down with 3 middle fingers up)

Please ensure she understands what she is saying by talking about what a promise is. Also, discuss what the parts of the Promise mean in her every day life and how she lives it. It is okay for “God” to be replaced with what your spiritual beliefs dictate.

**On my honor I will try
To serve God and my country,
To help people at all times
And to live by the Girl Scout Law**
